## ICIL 2016

The International Conference on Industrial Logistics (ICIL) 2016 will take place in Poland, from September 28th till October 1st 2016, hosted by the Faculty of Management, AGH University of Science and Technology in Krakow (Poland) and International Centre for Innovation and Industrial Logistics (ICIL, Brazil).

International Centre for Innovation and Industrial Logistics (ICIL) is a non-profit professional association which has been developing an integrated view of Industrial Logistics, sharing and exchanging ideas and research results among students, researchers, academics and industrialists. The biannual International Conference on Industrial Logistics (ICIL) is the main mean to attain these objectives worldwide, moving from France 1993 to Brazil 1995, USA 1997, Russia 1999, Okinawa 2001, Finland 2003, Uruguay 2005, Lithuania 2006, Israel 2008, Brazil 2010 and Croatia 2012 and 2014.

The conference will feature a multidisciplinary program that will include original research results and contributions to the fields of logistics and supply chain management. Organizing and Scientific Committee gladly invite professionals, academics, students and industrialists to send contributing papers to the Conference.

### How to get to Zakopane

Krakow has direct flight connections with major European cities. The new Kraków Airport train station is located near the passenger terminal. Travelling by train is the fastest direct way to get to the Krakow Główny train station.

Zakopane is situated barely 100 kilometers from Krakow by road, to the south. There are frequent buses to Zakopane from Krakow's central coach station at 18 Bosacka street. Plus up to ten trains a day run to Zakopane from Krakow Główny rail station.

## PRESENTATION AND PUBLICATION OF PAPERS

Submitted papers will be subject of reviews by at least two independent reviewers. All accepted papers will be published in the Conference Proceedings indexed by Scopus to be distributed during the Conference.

Conference language is **English**.

Oral presentations should take 15 minutes. The authors will have the possibility of using computers for the presentations (Power Point). There will be opportunity to present paper with poster in poster section.

According to the Scientific Committee recommendations, the authors of the selected papers will be invited to extend their papers for publication in the following **journals**:

- \* International Journal of Logistics Systems and Management
- \* Decision Making in Manufacturing and Services
- \* Annals of Faculty Engineering Hunedoara – International Journal of Engineering
